

The logo for GreenPort 2010 features a stylized graphic of two overlapping waves, one in dark blue and one in green, positioned above the text. The word "GreenPort" is written in a bold, sans-serif font, with "Green" in green and "Port" in dark blue. Below it, the year "2010" is written in a larger, bold, dark blue font.

GreenPort 2010

Clarion Hotel Sign, Stockholm

The 5th International Ports and the Environment Conference and Exhibition

24 & 25 February 2010

Organised in Association with ESPO and the EcoPorts Foundation

Two Parallel One Day Seminars 23 February 2010

- GreenPort Logistics: "Developing a Carbon-Neutral Supply Chain Strategy"
- The 2nd ICHCA Safe Cargo Handling Seminar

Go to www.green-port.net for further information and on-line registration

**Clarion Hotel Sign, Stockholm, Sweden
24 - 25 February 2010**

Tuesday 23 February 2010

Two Parallel One-Day Seminars

- **The 2nd ICHCA Safe Cargo Handling Seminar**
- **GreenPort Logistics: "Developing a Carbon Neutral Supply Chain"**

Concluding remarks by APM Terminals

11.00 Session 7: Green Shipping Initiatives

Session Moderator:

*Bogdan Oldakowski
Secretary General
Baltic Ports Organisation*

The Clean Ship concept: focusing on propulsion, energy and fuel reduction

*Eelco Leeman
North Sea Federation*

Reducing emissions of air pollutants from ships

*Christer Ågren
Air Pollution & Climate Secretariat (AirClim)*

Ships waste discharge

*European Community Shipowners' Association
European Cruise Council*

Counteracting illegal international shipments of waste

*Dr. Henk Ruessink
Manager Global Cooperation
International Cooperation Programme
Ministry of Environment, The Netherlands*

Report on BPO seminar on IMO's new marine fuel sulphur regulations

*Bogdan Oldakowski
Secretary General
Baltic Ports Organisation*

Environmentally-friendly lubricants

Castrol Marine

Greening marine equipment

EMEC – European Marine Equipment Council

13:00 Lunch

14:00 Session 8 ESPO/EcoPorts Environmental Review: Charting the way ahead

Chair: *Dr Chris Wooldridge*

*Scientific Co-ordinator, EcoPorts
Senior Lecturer, School of Earth and Ocean
Sciences, Cardiff University*

Presentation results of ESPO/EcoPorts Environmental Review

Introduction by:

*Herman Journée
Chairman, EcoPorts Foundation*

Presentation by:

*Antonis Michail
Policy Advisor, ESPO
Co-ordinator, Sustainable Development Committee*

• Panel Debate on follow-ups

*– implications for new ESPO Code of Practice
– implications for Port Environmental Management
Programmes*

15.30 Closing Remarks

*José Fernandez García
Maritime Transport Policy
DG TREN, European Commission*

15:45 Greenport 2010 Conference concludes

GreenPort Logistics 2010

Developing Carbon Neutrality within the Sustainable Logistics Chain

Clarion Hotel Sign
Tuesday 23 February 2010

09:30 Welcome and Introduction by Chairman

09:30 Session 1: What are the DRIVERS for developing a Carbon Neutral Logistics Programme?

Defining the issues: What does "Carbon Neutral" mean? How does it differ from "Low Carbon" and "Carbon Neutral"? What are the arguments for/against the different strategies?

Kate Royston

Robbee Smole - Sustainable Business Solutions

A view to the future: green supply chain management and impact on logistics service providers

Robin Martens

Director

Archicom Consultants

Environmental legislation and Emissions Trading

Jan Prahm

Tutech Innovation GmbH

Towards integrated sustainability

Wando Boevé

Chairman EIRAC

Director Marketing & Sales ECT

Harbour masters' contribution to CO₂ emission reduction and a strong nautical chain

(Presentation includes a 4-minute Video Module prepared by the European Harbour Masters' Committee)

Capt. Ben van Scherpenzeel

Sr. Advisor Port of Rotterdam

Member of the International Harbour Masters' Association

10:40 Refreshment break

11:00 Session 2 What does "Green Supply Chain Management" really mean for Shippers and Logistics Service Providers?

A view to the future: green supply chain management and impact on logistics service providers

Robin Martens

Director

Archicom Consultants

How are Shippers introducing green supply chain management programmes?

Nicolette van der Jagt

European Shippers Council

Reducing emissions of sulphur oxides (SO_x) and nitrogen oxides (NO_x) from ships - Impacts on Shippers with new MARPOL regulations

Karolina Boholm

Swedish Forest Industries Federation

Sustainable Logistics - People, Planet, Profit

Richard Kirchner

Sales Director

Green Cargo

12:30 Lunch

13:30 Session 3 Workshop Presentation by the CarbonNeutral Company

As part of the GreenPort Logistics 2010, the CarbonNeutral Company will be organising a workshop-style presentation, focusing on the benefits of an offset-inclusive carbon management strategy for ports and associated logistics companies.

Within this presentation, the company will introduce a case study around its work with the Port of Belfast and showcase an **online assessment tool** of relevance to this topic.

Workshop Leader:

Jonathan Shopley

Managing Director

The CarbonNeutral Company

15:15 Refreshment break

15:30 Session 4 Green Corridors: Update and Progress in Sweden and in Europe

Presentations from:

Stefan Back

Swedish International Freight Association (SIFA)/Transport Group

Jerker Sjögren

Swedish Logistics Forum

Peter Wolters

European Intermodal Association

16:15 Session 5 Hinterland Logistics

Efficient railway connections to/from important ports and gateways

Jan Bergstrand

Infrastructure Projects

Swedish Rail Administration

The success of train shuttle services

Stig-Göran Thorén

Manager, Investment

Port of Gothenburg

Sustainable Hinterland Logistics Project in the Netherlands involving Public & Private Partners

Herman Journée

Chairman, EcoPorts Foundation

Sustainable chain (decision making) model - one of the results of this project.

Leon Smulders

Quintel Strategy Consultants

17:30 GreenPort Logistics 2010 concludes

19:45 Evening Reception: Stockholm City Hall

Following the Workshop, all GreenPort Logistics participants are invited to an Evening Reception

Venue: Stockholm City Hall

Host: City of Stockholm

Welcome from: Sten Norman, Mayor of Stockholm

The 2nd Safe Cargo Handling Seminar

Clarion Sign Hotel, Stockholm – Tuesday 23 February 2010

Objective of Seminar:

- To provide a forum where latest initiatives to improve safe handling of cargo and containers can be discussed

09:00 Welcome and Introduction

0905 Session 1: Review of International Developments

Mike Compton
Chairman, International Safety Panel
ICHCA International

Review to cover:

- Amendment 35 of IMDG Code
- Convention for Safe Containers
- BLU Code
- Flexitanks
- ICHCA International Publications
- Safe Lashing of Deck Containers
- Enclosed Spaces

0940 Session 2 The Challenge of Dealing with Safety Culture

Henrik Kristensen
Head of CSR /HSSE
APM Terminals

1015 Session 3 Safe Cargo Handling Plant and Equipment

This session has been developed with the co-operation of the Port Equipment Manufacturers Association [PEMA]

1015 Equipment Safety in Quayside Operations

Hannu Oja
Director, Ports Technology, Konecranes
Chairman, PEMA Safety Committee

1035 Equipment Safety in Yard and Landside Operations

Mr Jorma Nurmi
Vice President Technology and Research
Cargotec/Kalmar

1055 Discussion

11:00 Refreshment Break

11:15 Session 4 Safe Use and Care of Lifting Gear

This session has been developed with the cooperation of the Lifting Equipment Engineers Association [LEEA]

11:15 Code of Practice for the Safe Use of Lifting Equipment

Geoff Holden
Chief Executive
LEEA

11:35 Care and Use of Slings

Tom Sims
Consultant

11:55 Gear Stores

Geoff Holden and Tom Sims

12:15 Discussion

12:30 Lunch

1330 Session 5 Carriage of Timber Deck Cargoes

This session will explain the current work of revising the IMO's Timber Deck Cargo Code.

1330 Background to the revision of the Code

Peter Anderson

1350 Current situation with the revision

Johan Colliander

1410 Design of uprights for timber deck cargoes

Phillippe Chanfreau

1430 Expectation of the revised Code – the shipowner view

Olof Johansson

14:50 Discussion

15:00 Refreshment break

1515 Session 6 High Winds at Terminals

Peregrine Storrs-Fox
Director
TT Club

15:45 Summary and Conclusions
