

Seacure for Operations 2004

Overview Amendments

REFERENCE	REFERENCE NUMBER	AMENDMENT
The Green Award Certification System		
	Chapter 3.3	Assessment: Text has been modified and aligned with Chapter 8.2
	Chapter 4.5	Contact Details updated
Green Award Regulations		
	Article 8 & 9	The Office Audit & Ship Survey process has been streamlined
	Article 12.3	Reduced Survey Incentive
	Article 14	New Article 'Fees'
	Article 15	New Article 'Terms of payment'
	Article 16	'Withdrawal of Certification' replaces old Article 13 'Operation of the system'
	Article 18	New Article: 'Publicity'
	Article 20	New Article : 'Applicable law'
	Article 22	New Article: 'Liability'
	Annex 1	Amended: 1. Ship type 'oil tanker' defined as stated on: IOPP Certificate and Supplement 2. Definition of Bulk Carriers amended
	Annex 2	The Application Form can be found on the Green Award website (www.greenaward.org) and in the 'Seacure for Operations 2004' which details the Green Award regulations and other information concerning the Green Award Foundation. The Certificate Agreement (old Annex 2) has been made redundant. Instead, an application form, when signed by the applicant, binds the applicant to comply with the Green Award Regulations and Requirements as a condition of receiving the Green Award Certificate. All relevant articles in the Certification Agreement have been incorporated into the Green Award Regulations.
	Annex 3	See separate "Oil Tanker and Bulk Carrier Appendices 2004 Overview New Requirements / Modifications"
Qualifications for Ship's Personnel	Previously Annex 1 to the Application Form	List has been removed
Audit / Survey Assessment Criteria	Chapter 8.2	The Assessment Criteria for the Basic and Ranking Requirements has been made transparent. Note: For the Ranking Requirements, an Improvement Note instead of a non-conformity will be issued if the minimum score for an element is not achieved.
Green Award Tariffs	Chapter 11	The Green Award Tariff list is available from our website (www.greenaward.org)
