

Green Award certification fee for inland shipping

01-01-2023

Container ships, crane ships, dry cargo ships, ferries, patrol boats, push barges, RoRo ships, tankers, workboats, hopper barges	€ 945
Pushed barge belonging to a ship with a Green Award certificate	€ 754
River cruise ship	€ 1,539

- All amounts are exclusive of VAT.
- All amounts include travel costs within the Netherlands. Separate arrangements are made for travel costs outside the Netherlands.
- The certification fees apply for a period equal to the period the certificate is valid. This is 3 years unless it appears in the meantime that the ship no longer complies with the Green Award requirements.
- The certification fee is a part of the Appendix 4: *Green Award Inland Shipping Rates* of the [Green Award Inland Shipping Regulations](#) (the “Regulations”). The terms as stated in the Regulations apply.
